

Default Question Block

UNSW
SYDNEY

Introduction

Thank you for agreeing to participate in this survey conducted by the University of New South Wales (UNSW). With your help testing a new travel app, we'll be able to better predict travel demand and infrastructure needs across Australia.

The form will take approximately 2-3 minutes to complete and upon completion you will be redirected to the UNSW research page where you will need to download the app to redeem the payment of \$5 per day. This page will also include additional information on the app being trialled.

Your participation in this survey is voluntary. Your responses are private and confidential and none of the responses you give will be linked to you as an individual.

Employment status

Which of the following best describes your current employment status?

Permanent, full-time (35+ hours per week)

Permanent, part-time (less than 35 hours per week)

Casual/ contract, full-time (35+ hours per week)

Not in paid employment (i.e. looking for work, retired, home duties, full time study only etc.)

I'd prefer not to say

Gender

What is your gender?

Male

Female

Metropolitan

Do you live and work in a metropolitan area in Australia?

Yes

No

Final interest

Based on your profile, we would be interested in your participation in the development of a travel app for the University of New South Wales, which seeks to

understand transport and travel. Your participation in testing the app will help in better understanding future travel demand and infrastructure needs.

UNSW Travel Survey

As mentioned, you will be paid \$5 per day for using the app for a total of 4 days, it involves downloading the travel app for use over the course of 4 days (with only one registered account per person).

Would you be interested in being involved in the research? If so, you will be redirected to the University of New South Wales research page where you will find additional information and a link to download the app.

To engage with the app, you will require a Gmail address. If you do not have a Gmail address, feel free create one for the purposes of this study.

Please note that you email address will only be used for the purposes of the study, and not be used or shared for any other purpose
